

SOTA

The Student Occupational Therapy Association (SOTA) Club is a nationally recognized club affiliated with the American Occupational Therapy Association. The mission of this club is to promote an awareness of occupational therapy on campus and in the greater community, to promote interaction between club members and occupational therapy associations and to engage in philanthropic and service activities in the community. Community projects will promote the philosophy of OT, including diversity, well-being, engagement and participation in meaningful activities.

SOTA

Student Occupational Therapy Association

Occupational
Therapy...
Skills for the
job of living

What we are involved in.....

- Relay for Life
- Special Olympics
- Breast Cancer Walk
- We send a member to the Michigan Occupational therapy Association (MiOTA) Conference as well as the Annual American Occupational Therapy Association (AOTA) Conference
- We organize and run SVSU's Annual Occupational Therapy Conference

S.O.T.A. is a non-profit, student-run organization that promotes occupational therapy (OT) through community service, public relations, fundraising, and campus activities.

Purpose:

- Aid students in their pursuit of becoming a successful Occupational Therapy (OT) student to provide the highest quality of care.
- Organize activities that provide benefit to OT students both personally and professionally.
- Promote the field of Occupational Therapy.

S.O.T.A. provides:

- Fellowship among students and faculty.
- Dissemination of information concerning local, state, and national occupational therapy affairs.
- Educational opportunities through community service activities, guest speakers, and leadership and participation opportunities within the organization.
